

I want many voices to be heard through this- K-LOVE radio which is broadcasted throughout the country has and is continuing to save lives everyday. I am a single mother with 3 children I also am a child of God in recovery from addictions. KLOVE is my inspiration and reminder of how to live life. HOPE & FAITH THRU CHRIST WHO STRENGTHENS ME and reminds me I'm not alone. I know quite a few people who are inspired by KLOVE here in Sioux Falls alone it's awesome to see GOD work and bring us together. I pray KLOVE will continue to incourage and bring glory to God. So many of us need it. God Bless and thank you
